

DPW COMMITTEE

5-1-19

Members Present: Todd Talaski, Clint Braun and Jerald Ignash

Others Present: Troy Hartz and Jamie Learman

Meeting called to order at 8:00 a.m.

The committee discussed the FY 2020 budget.

Jamie Learman and Troy Hartz asked the committee to consider a request from a homeowner to move a house from one lot in town to another lot. The ordinances have been reviewed regarding REU buy-in and just specify buy-ins are paid before connection. This house's buy-in has already been paid and the current location will be capped after it's moved. There has been discussion in the past about moving REU's around town, the car wash was talked about as an example. The committee recommended the REU's could stay with the house, as long as the current location was capped. The homeowner would have to pay the new connection charges. Ignash and Talaski were not told who was involved, prior to voting on this issue, so they could make an impartial decision and Clint Braun abstained and was not part of the conversation, as he is involved in this situation.

Meeting adjourned at 8:20 a.m.
