

Caseville Water Board
August 28, 2025

Meeting called to order at 8:30 a.m. by Ben Willenberg.

Present: City of Caseville – Jeff Hervert, Clyde Campbell
Caseville Township – Ben Willenberg, Michelle Stirrett
Village of Pigeon – Steven Corrion, Marc Hill

Also present: Troy Hartz, Jamie Learman and Kristen Maust.

Motion by Campbell second by Stirrett to approve the May 30, 2025 minutes. All ayes, **motion carried.**

Reports: Hartz reported that the water plant purchased a new air dryer for the compressors. Hartz said that EPA took some samples in July and should have the results back in September sometime. Hartz is working with our engineers for possible solutions and cost-effective options, once those samples come back. He mentioned the water seems to be improving, and he will continue to work at keeping it that way. Hartz found a company that power washed both water towers for a very reasonable cost, and hopes they can give a quote for future painting of the towers.

Financial Statements: Learman discussed the budget and explained that he doesn't see a need to increase rates right now.

Motion made by Hill second by Campbell to approve the financial statements. All ayes, **motion carried.**
