The meeting was called to order at 7:00 a.m.

The committee recommended Case Surveying be contacted to complete the “as-built” after the sidewalks are poured and the project is finished. The committee was all in favor of approving up to \$3,000 to get this done.

The committee discussed the DNR Trust Fund grant for Riverside Park. They asked Jamie Learman to get estimates from engineers for this project.

Discussion was held about golf carts and possibly registering them in the future. The committee recommended this be referred to the ordinance committee for discussion.
