Utility Bills (Contact us to set up email billing and information on how to pay your account online)

Pay ½ Of the Utility Bill by October 25th and the rest by November 27th without late fees. Pay the "amount due" on the bottom of the first sheet of the bill, that is the total owed. If you used water, but you're NOT billed for consumption, call the Water Plant to have your meter checked. If you wait you will have to pay for the consumption all at once when an actual reading is obtained. WE NEED YOUR PHONE NUMBER! This helps us to contact you for emergencies (water leaks, frozen pipes, etc.)

REPORT WATER LEAKS - IF YOU SEE OR HEAR WATER running in a building or see standing water on a lot where it usually does not pool, PLEASE CALL THE WATER DEPT (989) 856-4407.

The City DPW will turn your water off and on for free during normal work days from 7a to 3p.(Someone has to be present for turn on) If your water freezes and breaks you will be responsible for the lost water. Call the water plant to arrange turn off and on at (989) 856-4407.
