

DPW COMMITTEE

10-15-21

Members Present: John Tait and Todd Talaski.

Others Present: Troy Hartz and Jamie Learman

Meeting called to order at 8:00 a.m.

The committee discussed water connections for a couple of properties in the City. One is off of State St. and the other Cherry St. The one on State St. had a house that was demolished and the owner of the property wants to connect to water and sewer. The committee agreed to allow this one to connect. The one on Cherry St. is a shed, that had water in the past. The committee agreed to service that one with water again.

The committee discussed two properties in the township, just off Legion that have requested water and sewer. The committee recommended we contact Ferris regarding the legality of these requests.

Discussion was held regarding people outside of the City using the dump at the DPW yard. This is becoming more of an issue. Signs have been put up and the committee discussed looking into an ordinance to address it.

The committee was all in favor of recommending to Council to purchase a 2022 F-150 for the DPW from Ordus Ford for \$22,811. This was less than the state bid from Gorno Ford with more options than Gorno's.

Meeting adjourned at 8:55 a.m.
