

DPW COMMITTEE

11-13-19

Members Present: Todd Talaski and John Tait

Others Present: Troy Hartz and Jamie Learman

Meeting called to order at 1:00 p.m.

The committee discussed purchasing a new truck for Troy to use. Troy will have to get a few questions answered on options and he will present the final "State Bid" price to the Council in December. Both members were in favor of this.

The 2019 F-350 was listed on Facebook with no bid activity. The committee would like to try Albrecht Auction with a reserve near what the City paid for the vehicle new. If the reserves is not met, then the vehicle will not sell.

The committee reviewed the Water Plant Operator position. After review the committee recommended the job be listed in the paper until November 27. The committee will meet on December 3rd, at a time to be determined, to interview candidates.

Learman advised them that the DDA referred the brick pavers on Main St. to the City. The cost to remove all the pavers and put in concrete is just over \$52,000. A couple landscaping companies have been contacted about fixing the pavers, with no price quotes. The committee would like to reach out to a few more landscaping companies to see if we can get the bricks fixed before committing to concrete.

Meeting adjourned at 2:00 p.m.

Jamie Learman, Office Administrator / Clerk

Todd Talaski, Chairperson
