

ORDINANCE # 2023-3

1040.04

TAP-INS; PERMIT REQUIRED; TIME FOR MAKING INSTALLATION; WATER SERVICE LINES.

(d) The water supply from the curb-stop to the meter shall be made with soft copper service lines, or other service line materials approved by the D.P.W. Supervisor. No soldering shall be permitted. Flared or compression-type fittings are to be used, with inspections to be made at the time of installation or repair.

Mayor, Christopher C. Stahl

The undersigned City Clerk of the City of Caseville does hereby certify that the foregoing ordinance subscribed by the Mayor of the City was adopted by the City Council at a meeting held the 13th day of March, 2023 upon the following roll call vote.

ROLL CALL, Introduced by Rathje with second by Sprague:

Ayes: Rathje, Sprague, Braun, Tait & Talaski
